

NBCS Private Bus 2024

Palm Beach Service

Seat Allocation

The enclosed information relates to the NBCS Northern Peninsula (Palm Beach) Private Bus for 2024. Included is the bus route for the 57-seater Forest Coach Lines service.

To apply for a place for your child on this bus for 2024, please complete and return the linked [NBCS Private Bus Application Form](#). You will only be notified if your child has **NOT** received a place.

Selection Priority

Primary students have priority for bus placement. Secondary students will then be allocated places.

Please note that placement on the Private Bus in previous years does not give priority in the New Year and that the bookings do not carry over. A new application must be submitted.

All new students will require their NBCS Student Card to tap on when boarding the bus. This will allow us to charge your child appropriately for their use of the bus. Your child will be automatically issued with a card once you have registered your response on the form that they will be using this service.

Financial Matters

We have endeavoured to keep fees to a minimum whilst covering operating costs. 2024 fees will be added to your school fee 'ancillary charges' at the end of each term.

The cost is \$6.00 per student per trip for Semester 1 (with review for Semester 2).

It is preferred students are booked in for full time use, but the service can accommodate some "part time" use as well.

Bus Route, Map and Times

Please see the Private Bus route, map, and times below:

Student Code of Conduct

Students and parents are required to be aware of the following conditions that apply for continued use of the Private Bus:

- All students must wear their seat belt for the duration of the journey.
- No student is to leave their seat whilst the bus is in motion or while stopped to allow another student to enter or alight.
- No swearing, bad language or rude gestures are permitted.
- Students are not permitted to eat or drink on the bus.
- Students are not permitted to use their laptops on the bus.
- Students must keep arms, legs and other parts of their bodies inside the bus.
- Students must remain in the same seat for the entire journey.
- Student must be polite and respectful to the driver and other passengers.

Students who do not conform to these standards will forfeit their seat on the bus and lose priority status thereafter. They will not be eligible for a refund.
