# Designer Statement

### Name

Millie

Cliff-Vince

This modern, contemporary haute couture piece reflects significant historical influences and is inspired by both the Elizabethan era and Christian Dior's revolutionary 'New Look' which played a crucial role in inspiring women to embrace boldness and confidence in fashion.

The capturing double-layered collar epitomises the elegance, progress, and empowerment of feminist movements within the realm of fashion.

### Title

Lily the Label

The design features a meticulously structured suit silhouette that achieves a harmonious balance and unity, enhanced by feminine touches such as a gracefully designed skirt and ornate sleeve embellishments. Intricate embroidery, lavish embellishments, and meticulous craftsmanship are evident throughout the suit.
