## Soccer Academy - Term 3, 2023

---

**Northern Beaches Christian School Soccer Academy offers students a rare opportunity for elite training from a certified, highly experienced, professional footballer previously based in the United Kingdom.**

The ACADEMY aims to develop players' fitness, skills and technique to a professional standard. The focus of the academy will be on building the confidence, ability and 'mental edge' of all players.

The specific, individual target areas include:

- *Passing and control*
- *Speed*
- *Running with the ball*
- *Turning*
- *Shooting*
- *Defending and attacking*

### ***Who will benefit from the Soccer Academy?***

Players seeking the guidance and experience of an elite footballer.

Player seeking an opportunity to play in trial games in England drawing upon the coach's association with Bailey Elite football academy in the UK, who represent players in all levels of the football league.

### ***Outline of Commitments***

Successful applicants will be required to commit to the following:

Attend regular weekly, supervised sessions.

Maintain a satisfactory level of academic performance and display appropriate behavioral standards at school.

Behave in a manner, which clearly demonstrates dedication to your participation in the NBCS Soccer Academy.

Applications are open to all students serious about improving their performances.
