

Dear Parents

The **Cooking Program** is an exciting day program designed specifically for students in Years 8-11. Students have the opportunity to work with like-minded peers to develop their skills and techniques, engaging with experts such as the Sydney Cooking School. They will participate in workshops and sessions at school and have excursions to different locations to learn from specialists. Students will travel by bus to/from various locations.

Students will be provided with morning tea and lunch each day. The program runs according to the usual school day, so students will need to arrive for an 8.45 am start and will finish by 3.15 pm. Usual transport options to and from school will be available.
